SUBMITTED RESOLUTIONS

SENATE RESOLUTION 512—SUPPORTING REOPENING THE UNITED STATES CAPITOL BUILDING AND SENATE OFFICE BUILDINGS TO THE AMERICAN PEOPLE

Mr. HAGERTY (for himself, Mr. MORAN, Mr. SCOTT of Florida, Mr. LANKFORD, Mr. BRAUN, Mr. RUBIO, Mr. INHOFE, Mr. TILLIS, Mr. CRAMER, Mrs. HYDE-SMITH, Mr. CORNYN, Mr. TUBERVILLE, Ms. LUMMIS, Mr. THUNE, Mr. PAUL, Mr. HOEVEN, Mr. GRASSLEY, Mr. KENNEDY, Mr. HAWLEY, Mr. JOHNSON, Mr. BOOZMAN, Mr. MARSHALL, Mrs. BLACKBURN, Mr. RISCH, Mr. CRAPO, Mr. WICKER, and Mr. BARRASSO) submitted the following resolution; which was referred to the Committee on Rules and Administration:

S. RES. 512

Whereas the United States Capitol and Senate Office Buildings closed to public visitation on March 12, 2020, at the very outset of the pandemic;

Whereas, since March of 2020, the American people have learned how to safely gather and enter public places despite the existence of COVID-19 and, due to Operation Warp Speed, have had the opportunity to be vaccinated against COVID-19 for more than a year;

Whereas, despite the existence of COVID-19, tens of thousands of people routinely gather across the country for sporting, entertainment, worship, and other events;

Whereas, despite the existence of COVID-19, stores, restaurants, and other public places have been successfully welcoming the public since the pandemic began in 2020;

Whereas, despite the existence of COVID-19, the American people, including Members of Congress, routinely use crowded public transportation vehicles, including airplanes and trains;

Whereas, despite the existence of COVID-19, most Americans have long since resumed working around co-workers, customers, and others;

Whereas it is illogical and unacceptable that, despite the rest of the United States being open, the United States Capitol Building and Senate Office Buildings, buildings that belong to the American people, remain largely closed to public visitation; and

Whereas it is time to once again welcome the public participation in the legislative process and the public visitation of our historic buildings that have always been hallmarks of American democracy: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the importance of reopening the United States Capitol Building and Senate Office Buildings to the American people to facilitate public participation in the legislative process and public visitation of these historic buildings; and

(2) supports returning to the public visitation policies for Senate Office Buildings and the portions of the United States Capitol Building and Capitol complex within Senate jurisdiction that were in place before the COVID-19 pandemic.

SENATE RESOLUTION 513—RECOGNIZING THE GROWING THREATS AGAINST WOMEN AND CHILDREN, RELIGIOUS AND ETHNIC MINORITIES, AND LGBTQI PERSONS IN AFGHANISTAN AND AGAINST ALLIES OF SUCH INDIVIDUALS, SUCH AS CIVIL SOCIETY LEADERS AND ACTIVISTS, SCHOLARS, FORMER GOVERNMENT OFFICIALS, JOURNALISTS, AND MEDIA WORKERS, AND EXPRESSING SOLIDARITY WITH AND REAFFIRMING THE DURESS TO PROTECT VULNERABLE AND MINORITY POPULATIONS AND THEIR ALLIES IN AFGHANISTAN UNDER TALIBAN RULE

Mr. MARKEY (for himself, Mrs. FEINSTEIN, Mr. VAN HOLLEN, Mr. BOOKER, Mr. SCHATZ, Mr. CASEY, Ms. SMITH, Ms. WARREN, and Mr. BLUMENTHAL) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 513

Whereas the Taliban have a history of prohibiting women from receiving an education and pursuing jobs outside their homes and have publicly executed women who were accused of adultery;

Whereas a 2001 report by the Department of State noted that, from 1996 to 2001, the Taliban “perpetrated egregious acts of vio-

lence against women” as part of a “war against women”;

Whereas, in some Afghan provinces taken over by the Taliban beginning in May 2021, there are reports that the Taliban have forced women into marriage with Taliban fighters and have led targeted killings against women;

Whereas United Nations High Commissioner for Human Rights Michelle Bachelet has expressed concern with the Taliban’s contradiction of “stated commitments,” their exclusion of women from the public sector, and their restrictions on women, such as not allowing women to appear in public without a male chaperone;

Whereas, since 2018, the Secretary of State has designated the Taliban as an entity of particular concern for religious freedom pursuant to section 301 of the Frank R. Wolf International Religious Freedom Act (22 U.S.C. 6442a) for having engaged in “particularly severe violations of religious freedom”;

Whereas, in October 2021, the United States Commission on International Religious Freedom reported on deteriorating conditions for religious minorities in Afghanistan, noting growing fear among Hazara Shi’a Muslims, Hindus, Sikhs, Christians, Ahmadi Muslims, Baha’is, and nonbelievers, and stating, “Afghans who do not adhere to the Taliban’s harsh and strict interpretation of Sunni Islam and adherents of other faiths or beliefs are at grave threat”;

Whereas the Hazaras constitute approximately 10 to 15 percent of the national population in Afghanistan and are considered a minority religious group;

Whereas the Hazaras specifically, along with other religious and ethnic minorities, have historically been explicitly targeted by the Taliban and have been abused with impunity;

Whereas Amnesty International reported that on August 30, 2021, 13 Hazaras were unlawfully killed in the village of Kahor in the Khider district by Taliban fighters, with one of the victims being a 17-year-old girl;

Whereas, in 2021, the Taliban forcibly displaced approximately 4,000 Hazaras from their homes and ancestral lands in Daykundi province while a Taliban court expelled approximately 2,000 families from the city of Mazar-e-Sharif;

Whereas, in 2021, more than 30 instances of violence and threats of violence against Afghan journalists were recorded;

Whereas activists, journalists, civil society actors, and scholars face threats and intimidation and risk being unlawfully detained or tortured or becoming a victim of targeted killings by the Taliban;

Whereas adherence to the rule of law and protection of human rights is rapidly deteriorating under the Taliban, which are reportedly targeting judges, prosecutors, lawyers, human rights defenders, journalists, former parliamentarians, and individuals who previously advocated for human rights and the rule of law, particularly women;

Whereas there are reports of the Taliban conducting house-to-house searches and tracking individuals who served the previous authorities and then carrying out targeted revenge killings;

Whereas, during the previous period of rule of the Taliban, the Taliban reportedly executed Afghan men alleged to have engaged in sexual activity with other men;

Whereas the current Acting Prime Minister of the Taliban reportedly stated in 1996 that “homosexuality is a great sin” and “some say we should take these sinners to a high roof and throw them down, while others say we should dig a hole beside a wall, bury them, then push the wall down on top of them”;

Whereas a Taliban judge, Gul Rahim, stated in July 2021 that “[f]or homosexuals, there can only be two punishments: either stoning or he must stand behind a wall that will fall down on him,” and a spokesman for the Ministry of Finance of Afghanistan noted that LGBT rights would not be respected under the Taliban’s interpretation of Sharia law; and

Whereas, in 2022, many LGBTQI individuals in Afghanistan are forced to live in hiding due to reports of threats and attacks against such individuals in the community: Now, therefore, be it

Resolved, That the Senate—

(1) stands in solidarity with the people of Afghanistan and with vulnerable groups including women and children, religious and ethnic minorities, lesbian, gay, bisexual, transgender, queer, and intersex (LGBTQI) persons, civil society actors, journalists, and other at-risk populations in Afghanistan;

(2) reaffirms the longstanding commitment of the United States to advance human rights worldwide;

(3) calls on the Taliban to uphold the protection of universal human rights, including the commitments set forth in the Universal Declaration of Human Rights and enshrined in the International Covenant on Civil and Political Rights, to which Afghanistan is a party;

(4) encourages the executive branch to continue to call for the protection of women and children, religious and ethnic minorities, civil society actors, journalists, and LGBTQI persons under Taliban rule;

(5) calls for the international community to condemn human rights violations committed by the Taliban;

(6) reaffirms the commitment of the United States to support Afghan civil society, individuals who assisted with the war efforts of the United States and allies of the United States, and individuals who advocate for universal human rights; and

(7) calls on the United States Government to work closely with the international community and nongovernmental organizations, particularly such organizations based in Afghanistan, to support at-risk Afghan minority populations and other vulnerable communities, including through efforts to stem the growing humanitarian crisis that will disproportionately impact already vulnerable groups.

SENATE RESOLUTION 514—EXPRESSING THE SENSE OF THE SENATE THAT THE PRESIDENT AND THE SECRETARY OF STATE SHOULD ENSURE THAT THE GOVERNMENT OF CANADA DOES NOT PERMANENTLY STORE NUCLEAR WASTE IN THE GREAT LAKES BASIN

Ms. STABENOW (for herself, Ms. BALDWIN, Mr. PETERS, Ms. KLOBUCHAR, Mr. DURBIN, Ms. DUCKWORTH, Mr. BROWN, and Mrs. GILLIBRAND) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 514

Whereas the water resources of the Great Lakes Basin are precious public natural resources shared by the Great Lakes States and the Provinces of Canada;

Whereas, since 1909, the United States and Canada have worked to maintain and improve the water quality of the Great Lakes through water quality agreements;

Whereas more than 40,000,000 individuals in Canada and the United States depend on the

fresh water from the Great Lakes for drinking water;

Whereas the Government of Canada is proposing to build a permanent deep geological repository for high-level nuclear waste in the Great Lakes Basin;

Whereas the Nuclear Waste Management Organization of Canada is examining building a permanent deep geological repository for nuclear waste in the Great Lakes Basin, less than 40 miles from Lake Huron in South Bruce, Ontario, Canada;

Whereas nuclear waste is highly toxic and can take tens of thousands of years to decompose to safe levels;

Whereas a spill of nuclear waste into the Great Lakes, including during transit to a permanent deep geological repository for nuclear waste, could have lasting and severely adverse environmental, health, and economic impacts on the Great Lakes and the individuals who depend on the Great Lakes for their livelihoods;

Whereas more than 232 State, Tribal, county, and local governments have passed resolutions in opposition to the proposed nuclear waste repository of Ontario Power Generation;

Whereas Tribes and First Nations’ citizens have a strong spiritual and cultural connection to the Great Lakes;

Whereas the Saugeen Ojibway Nation exercised its Aboriginal and treaty rights by voting against the Ontario Power Generation building a permanent nuclear waste repository in Kincardine, Ontario;

Whereas the protection of the Great Lakes is fundamental to treaty rights; and

Whereas, during the 1980s, when the Department of Energy was studying potential sites for a permanent nuclear waste repository in the United States in accordance with the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101 et seq.), the Government of Canada expressed concern with locating a permanent nuclear waste repository within shared water basins of the 2 countries: Now, therefore, be it

Resolved, That it is the sense of the Senate that—

(1) the Government of Canada should not allow a permanent nuclear waste repository to be built within the Great Lakes Basin;

(2) the President and the Secretary of State should take appropriate action to work with the Government of Canada to prevent a permanent nuclear waste repository from being built within the Great Lakes Basin; and

(3) the President and the Secretary of State should work together with their counterparts in the Government of Canada on a solution for the long-term storage of nuclear waste that—

(A) is safe and responsible; and

(B) does not pose a threat to the Great Lakes.

S. RES. 515

Whereas a competitive global economy requires workers who are prepared for skilled professions;

Whereas at least 15,000,000 new workers will be needed for the United States’ infrastructure in the next decade, including designing, building, and operating transportation, housing, utilities, and telecommunications;

Whereas the COVID-19 pandemic has displaced millions of workers in the United States and fundamentally shifted entire industries within foundational aspects of the economy, creating significant demands for high-quality and efficient upskilling and reskilling opportunities to ensure a quick and equitable recovery;

Whereas career and technical education (referred to in this preamble as “CTE”) ensures that competitive and skilled workers are ready, willing, and capable of holding jobs in high-wage, high-skill, and in-demand career fields such as science, technology, engineering, art and design, mathematics, nursing, allied health, construction, information technology, energy sustainability, and many other career fields that are vital in keeping the United States competitive in the global economy;

Whereas CTE helps the United States meet the very real and immediate challenges of economic development, student achievement, and global competitiveness;

Whereas the United States has 30,000,000 jobs providing an average income of \$55,000 per year that do not require a bachelor’s degree yet increasingly require some level of postsecondary education;

Whereas over 11,000,000 students are enrolled in CTE across the country at the secondary and postsecondary levels, with CTE programs in thousands of CTE centers, comprehensive high schools, career academies, and CTE high schools, and nearly 1,000 2-year colleges;

Whereas CTE matches employability skills with workforce demand and provides relevant academic and technical coursework leading to industry-recognized credentials for secondary, postsecondary, and adult learners;

Whereas CTE affords students the opportunity to gain the knowledge, skills, and credentials needed to secure careers in growing, high-demand fields;

Whereas secondary CTE is associated with a lower probability of dropping out of high school and a higher likelihood of graduating on-time;

Whereas, according to an American Federation of Teachers poll, 96 percent of parents approve of expanding access to CTE and other programs that prepare students for jobs;

Whereas students at schools with highly integrated rigorous academic and CTE programs are significantly more likely to meet
